BETHANY BEACH • DE

Wedding Receptions, Rehearsals, and Private Functions

Mango's Bethany Beach is a premier ocean front location ideal for hosting the most special day of your life. In the past fourteen years dozens of couples have said their "I do's" on the white sandy beaches of Bethany Beach, and toasted to their new future at Mango's ocean front restaurant. We have been so fortunate to share in so many special moments and proud to be part of the memories of so many. We offer full planning of your day, and we are proud to offer unique service that only matches the location and décor of our beautiful beach front restaurant. Mango's will work with you on every detail of your event from top to bottom, and our personal touches will ensure your day is one of a kind! We can host a reception from 50 to 220 people with a variety of packages to suit your needs.

Mango's has partnered with local purveyors to offer a variety of services that keep cost and stress to a minimum, and we take great pride in supporting local small business. We also will help you work with the Town of Bethany Beach to make sure you have any appropriate permits for use of the bandstand or beach areas. These details are often overlooked, but we cannot stress how important some of these details are. Let us take the stress of you, and we will help you navigate the particulars. All of the vendors we work with will be billed separate from the actual reception.

We offer the best entertainment services with Hook Productions. Hook Productions strives to provide the highest level of quality in all the events they perform and this is a crucial part of wedding reception planning that is often overlooked or under-utilized. Hook Productions also features a professional production coordinator at no extra cost, and they work hand in hand with our staff to manage the reception activities with the DJ. We will provide a detailed wedding day schedule with music selected for each portion of the reception. Hook Productions also offers professional light shows, wireless microphone, and a personal bridal consultation two weeks to one month prior to your date.

We also have partnered with CRH Tented Events to provide all the wedding essentials. Locally owned and operated, CRH Tented Events has multiple tents varying in size and elegance. In addition, we can provide multiple styles of chairs and tables for the ceremony and/ or reception. We also can also offer a variety of lighting options to ensure your photographs and reception are one of a kind.

We are honored to partner with Ruthie's Bethany Bakery for all our baking services. Ruthie Parramore has been in the baking business her whole life, and yes....you can have your cake and eat it too!! Ruthie's Bethany Bakery is located in the heart of Bethany Beach, which cuts down on the travel time. We ensure your cake is as fresh as it should be. Ruthie works directly with the customer to ensure all details for your cake are put in the oven. She also can make multiple sheet cakes to accommodate larger weddings.

We suggest using the above services, as we have found they are the best of the best. Mango's wants to assure you have nothing to worry about except saying "I do," and if the bride and groom walk away happy, we have done our job. Although we recommend using our featured purveyors for your day, we always welcome outside vendors if you insist; however, we cannot offer any pricing for other vendors.

Pricing

Pricing for each event heavily depends on the date you choose, as Mango's is a seasonal restaurant and we are most busy as we are in summer months or late spring/ early fall. Our pricing is based 100% off sales figures from the previous five years. We do not host any weddings or receptions between Memorial Day and Labor Day, as we are far too busy to effectively handle a private function. We have a couple of different ocean view dining rooms to host up to 220 guests for your reception or rehearsal. We also boast two boardwalk, ocean front decks for cocktail hours and standing dining. The weekends closest to summer are considered peak dates, as well as the weekend of Mother's Day in May and Columbus Day Weekend in October. Email us at mangosbbevents@gmail.com for any pricing. First, choose which dining area package will suit your needs, then choose your menu option, and include any special needs.
